SIR,

With reference to Government Proceedings No A dated 7th January 99, calling for the Vice-President's explanation for having failed to carry out the removal of the Bestagiri to an eligible new locality, I have the honor to forward herewith a copy of the explanation submitted by him.

The report called for in the latter part of the Government order referred to above will be submitted as soon as the evacuation of the Bestagiri is completed.

General No. 494.

Sanctioned No.

Sir,

With reference to Government Proceedings No. A dated 9th January 1899 calling for my explanation as to the delay in removing Bestagiri to an eligible new locality, I have the honor to state that all possible attempts were made to remove all the houses but without effect. An application was made through the Plague Commissioner, so long back as 28th October 1898, for sanction for acquisition of Bester houses and to notify their acquisition in the Gazette, but the sanction of Government was obtained on the 9th December 1898, and the declaration published in the Gazette on 22nd December 1898. Even now they refuse to quit the locality wholly

This was pursuant to Plague Commissioner's letter No. 4296 of 28/30 October 1898 (received on 2/12/98)

In the declaration attached to the notification, the name Gowripet and not Bester is given.

Dy 23/1

But the Tehsildar on the spot

wholly on the ground that some of their houses must be left for looking after their temple which is a costly building. Therefore it is arranged to open broad roads and lanes intersecting the houses and thus reduce the number of buildings that come in the way. Many houses have already been acquired and new sites allotted to the owners in the woodyard lately acquired from the Forest Department.

Under these circumstances, there was no delay on my part in acquiring those houses.

I have the honor to be,

Sir,

Your most obedient servant.
